

SPORTING EDGE DIGITAL LIMITED
COOKIE POLICY

What are cookies?

Cookies are small text files that are stored by the browser (for example, Internet Explorer or Safari) on your computer or mobile phone. They allow websites to store things like user preferences. You can think of cookies as providing a 'memory' for the website, so that it can recognise you when you come back and respond appropriately. Cookies cannot harm your computer and a cookie cannot read data off your hard disk, read cookie files created by other sites, carry malware or install viruses on your computer.

Sporting Edge's website uses "cookies" to help measure the effectiveness of marketing initiatives and identify and resolve errors.

If you do not want information collected through the use of cookies, most browsers allow you to enable or disable the cookie feature. Please refer to your browser's help section for specific instructions on how to manage cookies.
